### Owned by Teasdale Angus

If you are looking for that animal with tons of earning potential, that's extremely balanced and something that will work in any program in the country, look no further than this Jameson female. T402 is the Number 3 Basin Jameson heifer in the breed for dollar values. This young February female is powerfully designed, super structured, and has tremendous overall dimension. She has an elite set of EPDs that are some of the most balanced in the breed, highlighted with explosive growth, exceptional carcass, maternal, and management scores. You won't have to study this future donor's data for very long to see the endless ways she will bring value to any program.
